DON'T GO
to
TROUBLE
TOWN!!!

Friday Night in homes across Nightmare City.

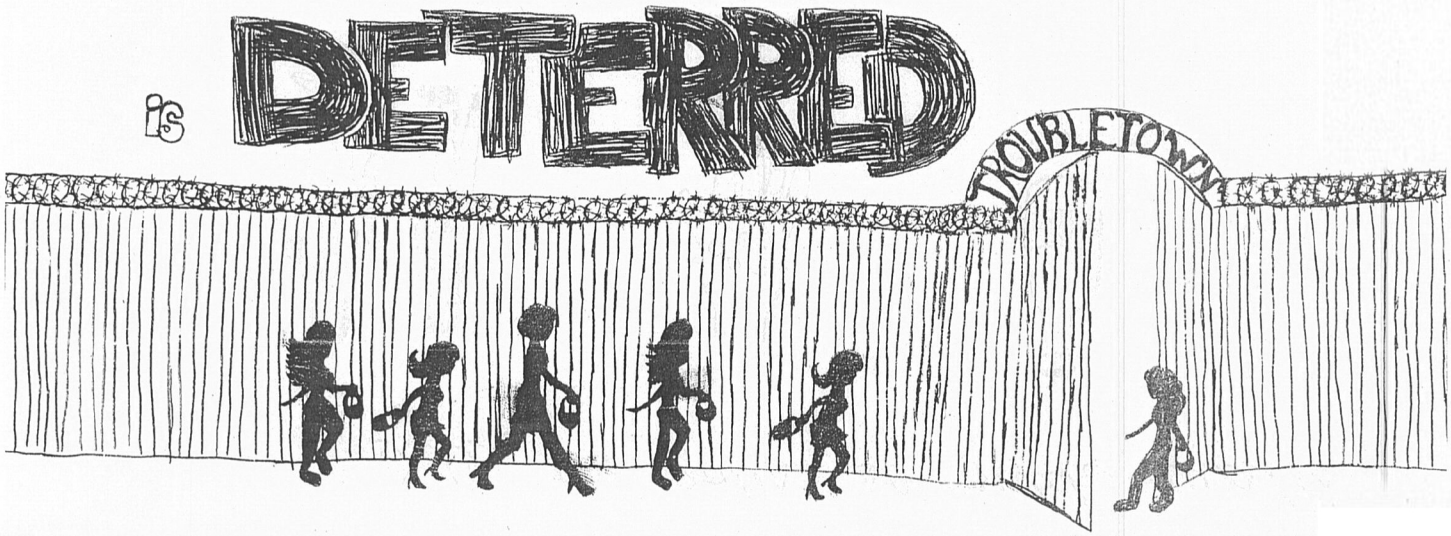

"Who's going again? You and Rebecca and Susan and Stacy and Elizabeth aren't going to get into trouble are you? You better not try to go over to Troubletown! All those Cocaine Mountain Theme Park workers drive home to Chola Vista HIGH OUT OF THEIR MINDS, and Highway 666 runs right through Troubletown. Not only that, but all those young juvinile delinquents are just waiting to corrupt girls like you. The THINGS they'll try to do to your body, and, yes, YOUR MIND. Why, if you wind up down there, you're certain to live a LIFE OF SHAME! And no DAUGHTER OF MINE will bring shame into THIS HOUSE! So just remember that when Becky or Lisa or Tiffany or Lucy or Ethel or Inez or Kathy say "Let's go to Troubletown! We can have a GOOD TIME there!" You tell them one good time isn't worth a WASTED LIFE!!!

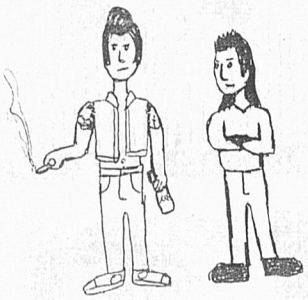

AND YET

No One

IS DETERRED

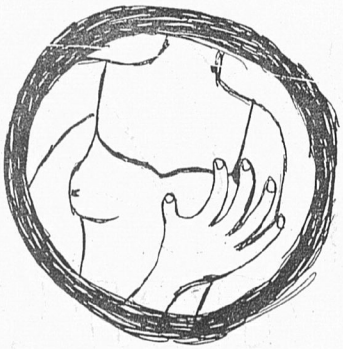

Inside the gates, so much awaits...

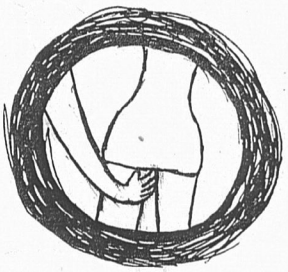

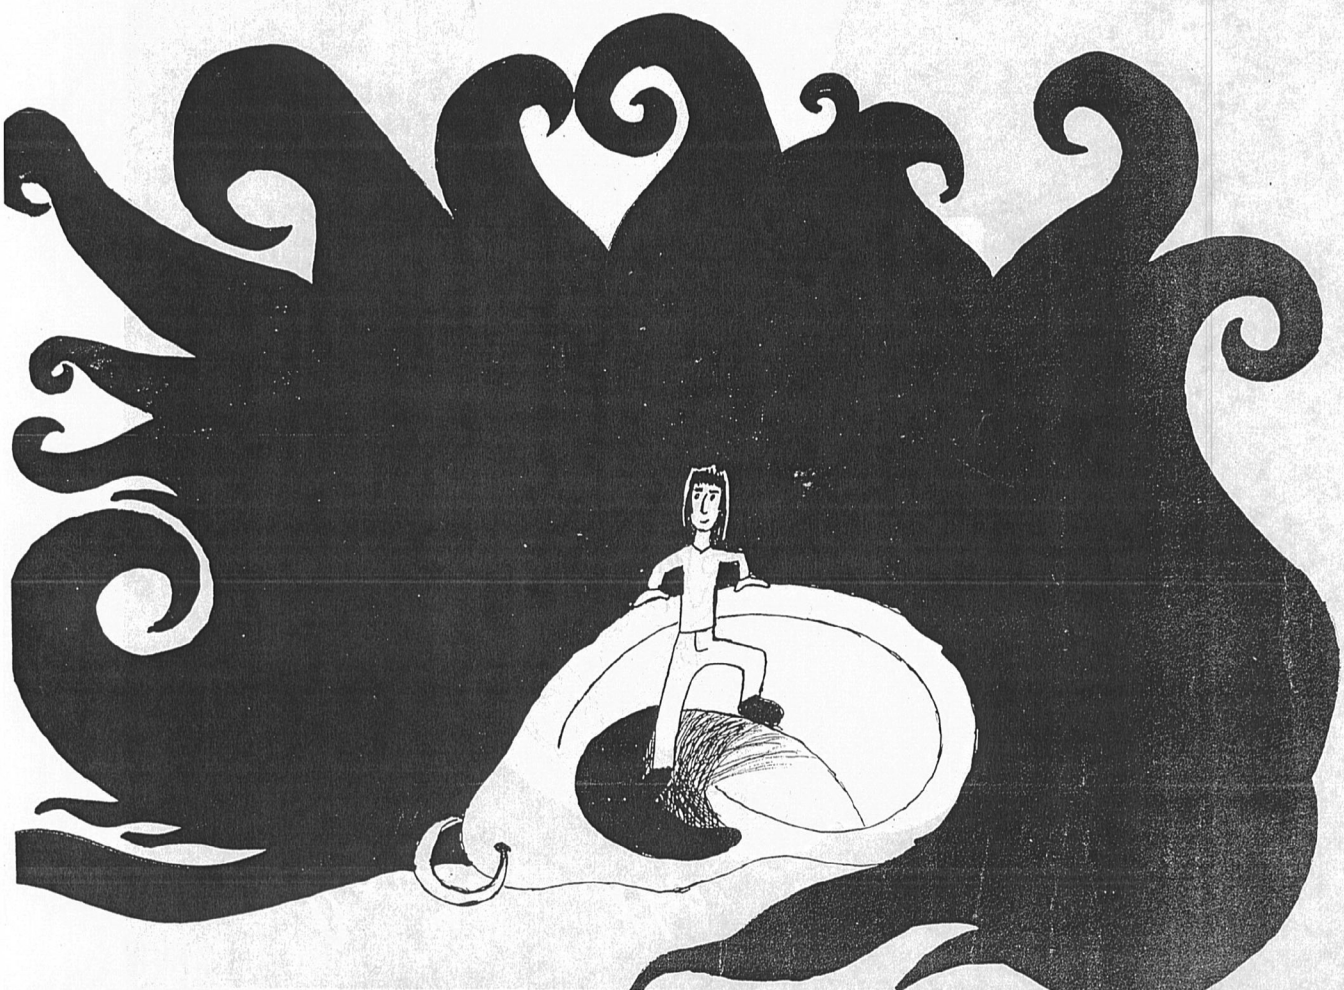

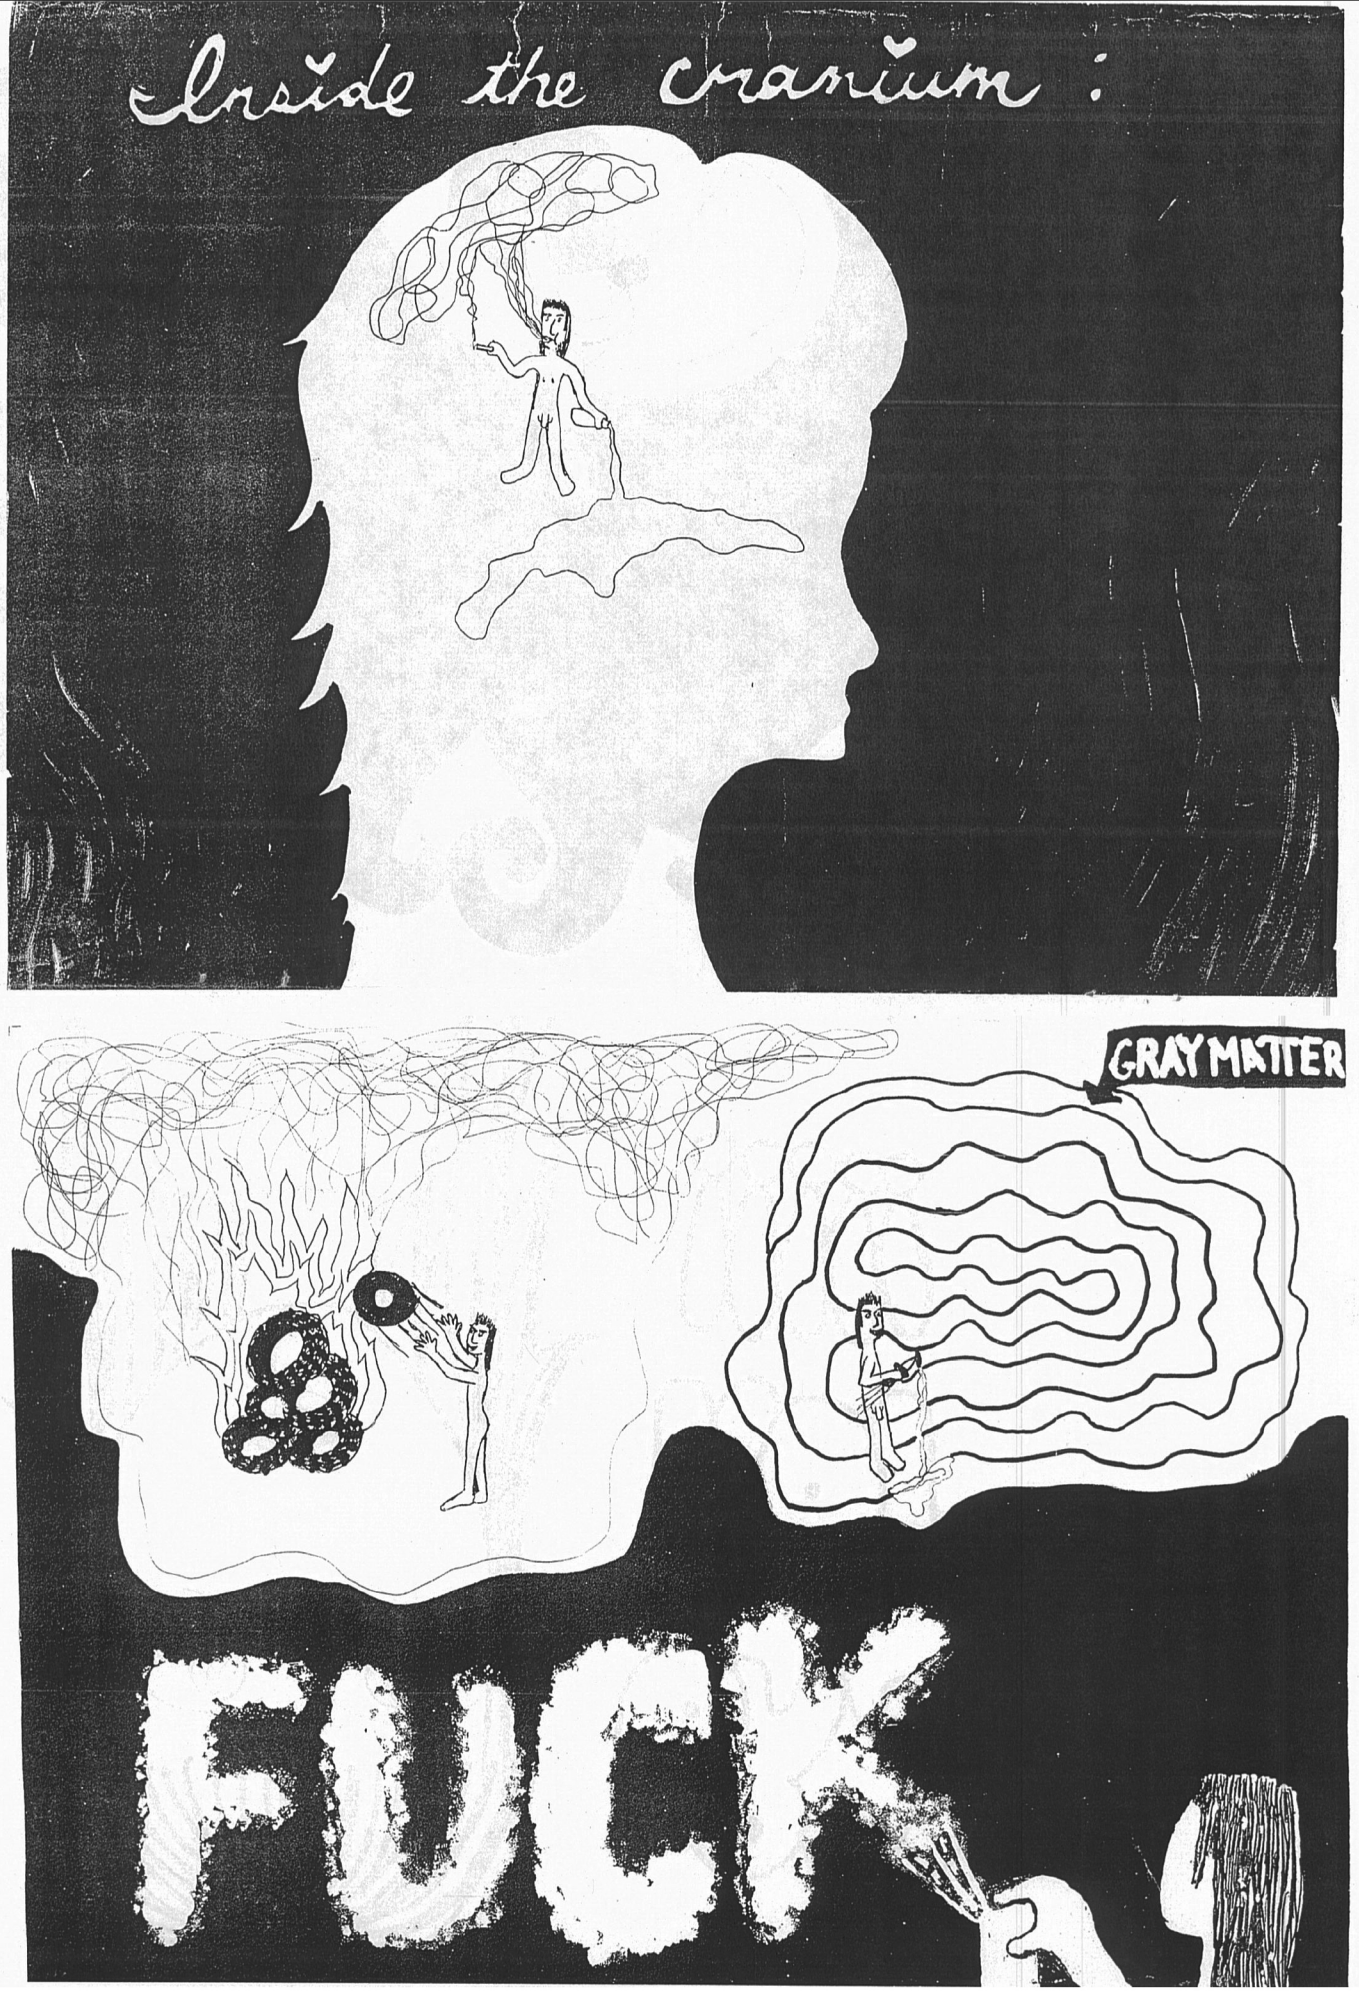

and all the girls say...

I WANT YOU INSIDE ME!

"O.K."

Inside the cranium:
GRAY MATTER
FUCK

BRAIN ROT !!!!

The next morning:

"And where have YOU been all night, YOUNGLADY?! And don't even say you stayed over at Linda's or Emily's or Helen's. Their mothers were all WORRIED SICK over you girls! Oh! GOD! YOU WENT TO TROUBLETOWN! DIDN'T YOU! I can JUST SMELL THE SHAME ALL OVER YOU! Well, I HOPE YOU'RE HAPPY! That brain of yours is ruined! Get ready for a WASTED LIFE OF SHAME! You girls just never listen and you never learn, do you?
